

June 24 - 28, 2024 | Lake Junaluska Conference and Retreat Center | Waynesville, NC

The Fellowship of Worship Artists invites you to Music & Worship Arts Week!

Our time together will magnify God's miraculous permission – Let There Be! – as a universe-shaping refrain of hope, wonder, and endless possibilities for all who work and volunteer in the glorious array of worship arts.

Music & Worship Arts Week (MWA) is a multi-generational event hosted by The Fellowship of Worship Artists in the beautiful mountains of North Carolina at Lake Junaluska. This annual event is designed for worship leaders, musicians, artists, dancers, actors, and pastors of all denominations who seek education and renewal in a spirit of inclusivity and grace. We welcome all.

MWA offers participants the opportunity to work with and learn from renowned leaders in the fields of worship arts, make new friends and reconnect with colleagues, be renewed in a beautiful setting, and worship daily in creative and inspiring ways. Music & Worship Arts Week has been described as "one of the most palpable examples of God's artistic gifts at work", so if you haven't already done so, we hope that you'll take some time to learn more about this transformative event and make plans to join us at Lake Junaluska.
